

Western Region 4-H History Bowl Manual 2023

Updated with New Questions

Major Changes to the 2023 Edition

- The number of questions in this manual has almost doubled this year.
- New questions were obtained from the UT Extension Eastern Region 2023 Clover Bowl Questions, 4th Grade, Tennessee section.
- The website reference for the new questions is:
 - <https://eastern.tennessee.edu/wp-content/uploads/sites/62/2022/12/4th-Grade-Questions-2023.pdf>
- The reason for the additional questions is to make the Western Region more competitive at the State History Bowl held at Tennessee 4-H Congress.
- The State History Bowl questions are not published, so these may or may not match them.
- However, my observation over the times I have attended Congress is that many of the questions in History Bowl overlap with Clover Bowl questions.
- Most Western Region counties do not conduct Clover Bowl, as the Eastern and Central Regions do.
- The questions published on the Eastern Region Clover Bowl site are used statewide and are available for the Western Region History Bowl winners to use as study guides.
- Good luck!
