

Western Region Retiree Association

Recognizing UT and TSU Retiree's in the Western Region

Criteria used for the 25 years of service plaque located at Western Region office.

1. Employed either at UT or TSU for 25 years with retirement occurring while employed in the Western Region.
2. Employee could have worked in different counties in different regions and/or departments to complete the 25-year requirement.
3. Employee eligibility includes only Extension employees which includes Agents, Specialists, Administrative Associates, Program Assistants and Regional staff.
4. Employees eligible must submit: Name, Last assignment credentials, county, and organization, example- "Name, credentials, county, number of completed years, and University retired from."
5. Employees should submit information to the Western Region of President/Chair of Retirement Association or Secretary.
6. Plans are to add additional names every 5 years and mount an additional plaque.
7. New retirees to be included in future plaques will have a retire date before July 1st of 2030 and be subsequent 5-year intervals.
8. UT and TSU would consider the purchase of future plaques but ultimately the responsibility to maintain the current plaque and future plaques would be at the discretion of the Retiree Association.
9. Current and future plaques will be the property of UT/TSU Extension. The University reserves the right to remove, edit or replace the plaque/plaques at its own discretion.

For additional questions and/or information, please contact Western Region Business Manager or Western Region Retiree Officers.
